OBJECTIVE

Skilled MERN stack developer with experience in building scalable web applications using Node.js, Express, React, and MongoDB. Expertise in RESTful APIs, performance optimization, and user authentication, with a commitment to clean code and staying current with web technologies.

EDUCATION

Bachelor of Computer Science, Sushila Devi Bansal College of Engineering 2020 - 2024

Higher secondary, Sri Chaitanya Kalashala 2018 - 2020

SKILLS

Technical Skills	MongoDB, Express.js, React.js, Node.js, JavaScript, RESTful APIs, Redux and MySQL
Soft Skills	Analytical and Problem-Solving, Teamwork, Drive and Initiative

EXPERIENCE

MERN Stack Training Jun 2024 - Present
Infocampus Software Training

- Working on real-world projects to enhance understanding of front-end and back-end development, including third-party API integration and state management using Redux.
- Developing proficiency in the MERN stack, focusing on building full-stack web applications with MongoDB, Express.js, React.js, and Node.js.

Web development and design Internship Feb 2023 - May 2023
Txon

- Developed a professional portfolio showcasing diverse projects, collaborating on responsive web design and backend development with Node.js and Express while optimizing performance and managing version control.

PROJECTS

Dinehub-Ecommerce

- Developed a comprehensive MERN stack eCommerce platform from scratch, featuring user authentication, cart functionality, product management, and secure payment processing, while optimizing MongoDB for fast data retrieval and scalability.

Job-Listing

- Developed a dynamic job-listing platform using the MERN stack, featuring real-time filtering of job postings by location, experience level, and work mode, along with role-based access control and secure user authentication for enhanced functionality for recruiters and job seekers.

Youtube-Clone

- Developed a YouTube clone using React and YouTube API, implementing dynamic video search, real-time data fetching, and responsive UI to enhance user experience, showcasing proficiency in RESTful APIs and modern web development practices.

EXTRA-CURRICULAR ACTIVITIES

- Represented Chhindwara as a competitive chess player in regional and state-level tournaments, achieving a Browns medal in 2016.
